

# RUSHMOUNT NEWS CORNER

ISSUE NO 5 | FEBRUARY - 2023

## OUR SERVICES

Shocking that we are almost through February! Lots has been going on at Rushmount as we prepare for another busy year!

Rushmount is excited as we continue moving forward with the construction of a warm viewing area. This is going to be an amazing addition for our colder months, and comfortable place year-round for viewing opportunities during competitions and practice.

Competitions are core to the operations of Rushmount but are expensive to operate. In order to ensure the success of our competitions, sponsorships are integral. Competitions not only aids in the development of both our riders and our horses/pony's but also helps to keeps costs lower for competitors.

Rushmount is working on putting together a sponsorship package and we encourage all of our farm family to help either by contributing or by identifying a business that may be willing to do so.

See page 3 in the newsletter for more information or ask Heidi about the benefits of sponsorship. Current sponsorship levels for Trillium Shows are \$1000, \$500, \$250.

Keep an eye on our calendar page, it changes monthly and Rushmount is offering more clinics than ever, with some very interesting ones such as Mounted

## RIDER LEVEL TESTING

March TBA - Levels 1-8

**Evaluated By:**  
**Heidi Mueller, High Performance Coach**

Heidi will be conducting an Equine Canada Rider level testing in March 2023. If you are interested, contact Heidi to get the reading information and what you need to do to test.

Tests are provided by Equine Canada and only certified individuals can test riders, of which Heidi is qualified to do.

Requirements to test:

1. OE Membership
2. Reading Information
3. Fees vary depending on the level that riders achieve – approx. \$65 for youth and \$75 adults.

If you are successful, you will receive a recognition through Equine Canada including a certificate and pin.

*Writer level testing is used as part of the getting your coaching credentials and is one of the prerequisites.*
